Mattamy and Great Gulf named as GTA Home Builders of the Year

Greater Toronto, May 7, 2018 – Mattamy Homes and Great Gulf Homes were named Home Builders of the Year by the Building Industry and Land Development Association (BILD) at the 38th Annual BILD Awards on May 4. Mattamy earned the distinction as low-rise builder of the year, while the title for mid/high-rise went to Great Gulf.

The Home Builder of the Year titles are the most coveted of all the BILD Awards and recognize the builders who set the standard for the rest of the industry through their professionalism and dedication to excellence.

The winners are leaders committed to quality, caring for their customers and contribution to their community. A key component of the judging process is a customer satisfaction survey completed by the builders' purchasers.
