Finding Good People - Recruitment & Retention

Finding good people to work for your company is not easy. A key to business success is finding and hiring good employees—people who exemplify the ideals of your business and become long-term, loyal workers. In today's economy, hiring the best people is more critical than ever.

Attend this presentation to gain insight from our experts on what tools you can utilize to find people that are the right fit for your company. Additionally, find out what you can do to retain these people and keep them invested in your business.

- Sources to find people / skilled trades
- Managing expectations
- Government programs / co-ops / apprenticeships
- Best practices for retention and development
