Speed Networking

It was so successful we're doing it again!

"Networking is making links from people we know to people they know, in an organized way, for a specific purpose"

A referral generates 80 percent more results than a cold call! Capitalize on BILD as a powerful network and a tool for marketing yourself. This is not your typical meeting -- this organized networking session is a great way to meet new and existing members, get the skinny on what's hot and what's on the horizon. In 2 hours, you will connect with dozens of contacts in a quick, organized, no pressure format.

You can't afford not to attend.

Here's what previous attendees said ...
