

TARION UPDATE Nov. 1, 2020

Tarion has announced that it will be taking extra precautions and measures to ensure homeowners and builders remain safe given the increased spread of the virus.

These measures and the associated advisories can be found at <https://www.tarion.com/news/64045/tarions-response-covid-19> and cover:

- Updated Safety Protocols
- Repairs and Repair Agreements
- Pre-Delivery Inspections
- Conciliations and Claim Inspections
- Unavoidable Delays and Critical Dates

Tarion is holding a series of Builder Information Sessions to keep the industry informed and answer any questions. The remaining session is below.

Builder Information Session: COVID-19 Measures and the Warranty

NOVEMBER 16, 2020

3:00 p.m. - 4:30 p.m.
