<p><u><a href="#">City of Barrie</a></u></p>	<p>A number of City facilities are closed to the public until further notice. The buildings remain open to staff for essential service delivery. Council, Planning Committee &amp; Committee of Adjustment meetings have been suspended until the week of April 20<sup>th</sup>.</p> <p>City staff have also advised BILD:</p> <ul style="list-style-type: none"><li>· APLI (online) applications for Committee of Adjustment, Pre-consultations, Site Plan, Site Plan exemptions and building permits remain the same You will need an account make submissions: <a href="https://eservices.barrie.ca/apli/">https://eservices.barrie.ca/apli/</a></li><li>· Planning support services can be obtained by emailing: <a href="mailto:planneroftheday@barrie.ca">planneroftheday@barrie.ca</a></li><li>· Site plan and technical reviews continue but in person meetings have been changed to conference call or video-conferencing</li></ul> <p>Members should contact Michelle Banfield, Director of Development Services at <a href="mailto:Michelle.Banfield@barrie.ca">Michelle.Banfield@barrie.ca</a> or 705-739-4220 x5466 to discuss specific projects.</p>
<p><u><a href="#">Town of New Tecumseth</a></u></p>	<p>The Town has prohibited access to the Administration Centre and the Joint Operations Centre from March 17 to at least April 6<sup>th</sup>.</p>
<p><u><a href="#">Town of Bradford West Gwillimbury</a></u></p>	<p>Municipal administration offices will be closed to the public effective Wednesday, March 18 at 12 noon until Monday, April 6. Staff will still be working remotely, and the Town will continue to offer service by phone, email, or by appointment if an in-person interaction is necessary. The Tuesday, March 17 meeting of Council and the Committee of the Whole is cancelled. All Town advisory committee meetings are cancelled through the end of April.</p> <p>Town staff have advised that they are maintaining development review services. Proponents are encouraged to take advantage of online submission tools for building permit and planning applications as well as for engineering submissions. Courier drop-offs are welcome too, and staff are determining a protocol for receiving hardcopies.</p> <p>Timelines for holding public meetings are uncertain at this time but is being determined.</p> <p>Any of members with specific questions, are encouraged to reach out to their respective planner on file directly.</p>
<p><u><a href="#">Town of Innisfil</a></u></p>	<p>The Town of Innisfil has implemented a number of cancellations and closures. All Council and Committee meetings scheduled to take place before April 6 are cancelled. A decision has not been made about the April 8, 2020 regular Council meeting but staff are exploring options and will communicate with the public.</p> <p>Staff have advised that all services are operating remotely. Applications are being accepted and processed. Building inspections are occurring on a limited basis and restricted to unoccupied buildings at this time.</p>
